COMEDY MAGIC SHOW

## **About Mac King:**

Now in his 17<sup>th</sup> year of headlining afternoons at Harrah's Las Vegas, comedy-magician Mac King captivates audiences as he casts out a fishing line over their heads and catches live goldfish out of mid-air, performs amazing sleight-of-hand, makes his head completely disappear in a paper bag, and renders himself invisible, all while remaining unbelievably funny. Because of his quick wit and extensive audience interaction, no two shows are alike.

Sought after worldwide, King has made television appearances on “*The Late Show with David Letterman*,” and all five of NBC’s “*The World’s Greatest Magic*” TV specials. King is consistently praised by fellow magicians. In a recent *Wall Street Journal* article, Teller, of Penn & Teller fame, called King “The best comedy magician in Vegas. He’ll fool you with his fantastically original tricks...” And Teller’s more talkative partner Penn (on their TV show “*Fool Us*”) just called Mac “The best comedy magician at least alive today, and maybe who ever lived.”

His numerous accolades include “Best Las Vegas Show” in the 2012 About.com Reader’s Choice Awards. *Las Vegas Review-Journal* named his show the “Best Bargain Show” for 10 straight years, “Best Family Attraction” in 2012, and “Favorite Male Las Vegan” in 2008. In 2011, he was deemed “Best Strip Headliner” in the *Las Vegas Weekly’s* “Best Of” Awards. King also has been voted as *Magic Magazine’s* “Funniest Act in Magic,” the World Magic Awards’ “Best Comedy Magician” and the Magic Castle’s “Magician of the Year.”
