

T H E **Mac King** **COMEDY MAGIC SHOW**

FACT SHEET

- Description:** With a big howdy, and a warm smile, Mac King has welcomed more than one million audience members during the last 11 years to the Harrah's Showroom for an afternoon of laughter and magic. King captivates audiences as he casts out a fishing line over their heads and catches live goldfish out of mid-air, performs amazing sleights-of-hand, makes his head completely disappear in a paper bag, and renders himself invisible, all while remaining unbelievably funny. Because of his quick wit and extensive audience interaction, no two shows are alike. King's show has been such a success over the years that he recently signed a contract to continue providing laughter and magic at Harrah's Las Vegas for five more years, extending his run through 2015.
